TITLE AND DESCRIPTION OF PRESENTATION TO BE RECORDED, INCLUDING ASSOCIATED SLIDES AND OTHER MATERIALS:

____________________________________________________________________________________

PRODUCTION DATE(S):_______________________________________________________________

LOCATION: _________________________________________________________________________

PRESENTER: _______________________________________________________________________

(Please print full name)

In consideration for the opportunity to have the above presentation, including slides and other associated materials (collectively, “the Program”) recorded for use by the School of Informatics and Computing, the undersigned hereby authorizes the Trustees of Indiana University, on behalf of the School of Informatics and Computing (hereafter “IU”), to record the Program for use in the following educational programs and activities:

The School of Informatics and Computing academic courses, educational programs, and promotional programs

The School of Informatics and Computing undergraduate courses, educational programs, and promotional programs

The School of Informatics and Computing graduate courses, educational programs, and promotional programs
I hereby authorize IU and its authorized agents to record the Program and my name, likeness, image, voice, distinctive gestures and mannerisms, and performance of the Program, on film, audiotape, videotape, or otherwise; to make or have made a transcription of the Program; to edit the Program as desired by or for IU; and to use, adapt, copy, and publicly distribute, display, and perform the Program, in whole or in part, in any manner or media now known or hereafter developed, in perpetuity, throughout the known universe, by or for IU for the purposes described above.

I understand and agree that IU will own all rights, including the copyright, in and to the IU recording of the Program and that except for the exposure to the Program resulting from having the Program recorded and used as described above, and the opportunity to request and receive a copy of the IU recording of the Program in a format reasonably available for personal, noncommercial uses that do not compete with IU’s uses of the Program, I will receive no compensation from IU and have no rights in or to the IU recording of the Program and no entitlement to any benefits derived therefrom.

I represent and warrant that the Program material is either wholly original to me, or that I have all necessary rights to use third party material as part of the Program and to authorize IU to record and use that third-party material as part of its recording and use of the overall Program.

I represent that I have the right to enter into this Agreement and that the rights granted in this Agreement will not conflict with or violate the rights of any third party or any commitment or understanding that I have with any other person or entity.

I agree to indemnify and hold harmless IU and its trustees, officers, employees, and agents from and against any and all claims, losses, expenses, and liabilities of every kind, including reasonable attorney’s fees, arising out of the alleged inaccuracy or breach of any provision of this Agreement. I expressly release IU and its trustees, officers, employees, and agents from any and all claims arising out of the recording or use of the Program.

This Agreement represents the entire understanding of the parties and may not be amended unless mutually agreed to by the parties in writing.

All permissions and releases granted herein shall be effective in perpetuity and extend and apply to The Trustees of Indiana University and their assigns, contractors, sublicensed distributors, successors, and agents.

I agree to IU’s recording and use of the Program as described above and consistent with the conditions provided above.
