Meeting Agenda

Agenda - Finalize GED details for Student view!

Notes

1. Melanie considering putting a computer in CS for students to use during GED.
2. regarding automatic system grading - Melanie states not to worry about LOA of students, those will be calculated automatically
3. milestones tab is not ready for this GED season and will be hidden from view for this season
4. Informatics - cut off date for uploading documents. Now they can view but not delete. Informatics wants the ability to delete until there is a hard cut off date.
5. Checklist links are only viewable when students have submitted/completed checklist online
