Meeting Agenda/Notes

GEMS – April 15, 2013

1. Stakeholder feedback
2. Funding discussion/creative whiteboard session
   #Caleb has done an excellent job to conceptualize the back-end architecture, he will discuss that architecture and request your feedback for additional components
   #Erick will lead the discussion regarding the user interface design needs for the funding process.

NOTES FROM MEETING
Melanie’s feedback

- **Promise** (what was promised at the time of admission)
  - Track admission promise - semester by semester, promise is renewed or revised during GED. 2 or 4 year financial aid / contingencies = can be taken back
- **Job assignment** - term, amount, faculty, AI/RA, evaluation, contingency, only money spent - (MUST be a flexible system)
